INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. 1.97-1.99

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

This Information Disclosure Statement is filed
pursuant to 37 CFR §1.97-1.99 and MPEP §609. Attached is PTO Form
1449 listing documents believed to be material to the subject
matter claimed in the above-identified application as of the
filing date of said application.

Presentation of these documents listed on PTO Form-
1449 is not an admission that any listed document is prior art
under the Patent Statutes and the right is reserved to antedate
any material described in the listed documents by a showing under
37 C.F.R. §1.131 or otherwise.

LIST OF DOCUMENTS

The following references listed in the PTO-Form 1449
are noted below.

Foreign Patent Documents

As to not overburden the Examiner with duplicative paper, copies of the cited documents are not enclosed because the documents are identical to those filed the case 2713/2 (08/411,795). Copies of the documents will be provided at the Examiners' request.

Finally the Examiner is requested to note that some references submitted with this statement may have publication dates less than one (1) year earlier than the earliest filing date to which this application is entitled. Inclusion of a reference in this statement is not intended to and does not constitute an admission that any such reference is prior art with respect to the invention.

Please charge any fees related to the filing of these documents to Deposit Account 19-1025.

Respectfully submitted,

Dennis A. Bennett
